A Word from the Director

Why do I need to attend LEADERSHIP DEVELOPMENT? Good question. LEADERSHIP DEVELOPMENT provides information for NEW LEADERSHIP necessary to perform an assigned job. LEADERSHIP DEVELOPMENT refreshes the knowledge of the EXPERIENCED LEADER. LEADERSHIP DEVELOPMENT familiarizes EVERYONE with new themes, curriculum, and available resources. LEADERSHIP DEVELOPMENT provides opportunities to SHARE IDEAS with others. LEADERSHIP DEVELOPMENT offers opportunities to NETWORK with other churches and individuals. Many professions require periodic refresher courses or workshops to hone their skills (teachers, medical, etc.). Training is essential for athletes and military. Even if you do not hold a leadership position in WMU, you will benefit as a member to attend LEADERSHIP DEVELOPMENT. Hope to see you on August 26th, 9:30-11:30 AM, at the Three Rivers Mission Center.

WMU Survey

A survey was recently sent to the 80 plus churches in the TRBA requesting names and addresses of mission leadership in the churches. WMU would like to better serve your church by having better communication with mission leaders. To date 15 completed surveys have been returned. WMU would like to include accurate information in the WMU yearbook which will be given out at the Fall Leadership Development meeting. If you are a WMU Director or mission contact person and you have not returned the survey, please search for it and return it in the addressed, stamped envelope.

WMU Newsletter Has a Name

At the Spring WMU meeting, a survey was taken to gather information about desired meeting times and to search for a name for our WMU newsletter. From the list of names suggested by members, the name TRIBUTARY was the winner. Kelley Smith from Apalache Baptist and Joan Marshsall from Burnsvie Baptist both submitted the winning name. CONGRATULATIONS LADIES!
